IN ADDITION, ANY PRIME THAT UTILIZES A SLEB SUBCONTRACT AGREES TO THE FOLLOWING CONTRACT COMPLIANCE REPORTING REQUIREMENTS:

- **ONLINE CONTRACT COMPLIANCE SYSTEM** [<http://acgov.org/auditor/sleb/elation.htm>]

I. INTENT

It is the intent of these specifications, terms and conditions to describe the lighting upgrade services being required by the Alameda County Flood Control District (District).

The District intends to award a one-time contract to the bidder selected as the most qualified responsible bidder whose response conforms to the IRFQ and meets the District's minimum requirements.

II. SCOPE

The District requires Lighting Replacement Services for the **Ettie Street and Lake Merritt Pump Stations**. The District desires to contract with an electrical contractor that is able to provide removal of existing lighting fixtures and lamps, installation, start-up, testing, and commissioning of newly installed electrical lighting fixtures and lamps. This scope shall involve labor, parts, materials, tools, and equipment. The electrical system shall be installed in accordance with current applicable local building and National Electrical codes. All new, electrical lighting fixtures and lamps for this project will be supplied by the District. The successful contractor shall be responsible for, but not limited to, the following items in relation to this contract:

1. Provide all necessary labor, materials, parts, tools and equipment to perform complete lighting replacement upgrades associated with the Replacement Schedule listed in Section IV. Contractor shall also provide/perform:
 - a. Supply all required miscellaneous and incidental equipment, including wire, nuts, bolts, connectors, power transformers, etc., to produce a working system.
 - b. Remove existing fixtures/lamps and replace with District provided fixtures/lamps as required. Contractor shall recycle any items removed under this project to the extent possible.
2. Contractor shall be responsible to ensure that all tools, parts, materials and equipment are properly secured at all times to prevent lost, stolen, or damaged goods against man-made and/or natural events.
3. Contractor shall be responsible for providing the District with submittals of miscellaneous parts and materials prior to purchase. All submittals must be pre-approved by the District prior to the purchase and or installation of such parts and materials.
4. Any change in the scope of work must be pre-approved by the District.

5. Contractor will be responsible for removal and appropriate disposal of any and all trash, old fixtures, lamps, hazardous materials, debris, etc., related to the completion of the New Electrical Lighting Replacement and Upgrade project to an acceptable off-base facility for proper disposal.
 - a. The contractor will be responsible for the removal and appropriate disposal of all existing and currently installed fixtures, switches, and related materials of the old electrical lighting system (including wire, if applicable) to prepare for, during the course of, and completion of, installation of the new electrical lighting system.
 - b. Contractor shall be responsible for removal and appropriate handling and disposal of any and all hazardous materials encountered during execution of this contract in accordance with federal, state and local statues and codes.
 - c. In addition to the above requirement, the Contractor will also be responsible for maintaining record of, and providing the District with, official documentation regarding the appropriate disposal of all hazardous materials encountered during effect of this contract.
6. Any warranty shall be issued in accordance with industry practice. Extended warranties offered by the Contractor and its subcontractors or suppliers may be accepted at the District's sole discretion.
7. Contractor shall mobilize construction forces necessary to perform the identified activities within 30 days after approval of the Work Plan and related submittals.
8. Contractor shall immediately notify the District of all issues that may result in a delay of the project and/or impact quality of the work.
9. Contractor shall complete all installations, inspections, start-up, testing and commissioning requirements prior to the District's final inspection and acceptance.
10. Contractor shall provide all appropriate safety personal protection equipment, tools and adhere to all safety rules and regulations.

III. BIDDER QUALIFICATIONS

1. Bidder shall be regularly and continuously engaged in the business of providing *Electrical Lighting & Upgrade Services*, for at least 3 years, and must have successfully completed projects of similar size and scope. This qualification will be verified by the five (5) references that bidder is required to submit on Exhibit G.

2. Bidder must attend one of the mandatory pre-bid conferences to be held on **Aug. 18 and Aug. 23, 2016 at 10:00am** starting from **3455 Ettie St., Oakland CA 94607** and moving on to **7th St./E. 10th St. Lake Merritt Pump Station, Oakland CA.**
3. Bidder shall possess all permits, licenses (C-10) and professional credentials necessary to supply product and perform services as specified under this IRFQ.
4. Bidder or subcontractors shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, (unless it is registered at time of bid submission), or engage in the performance of any contract for public work, as defined in this chapter, unless registered and qualified to perform public work pursuant to Section 1725.5 of the Labor Code. However, for federally-funded projects, it is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 of the Labor Code at the time the contract is awarded. The bidder and all subcontractors shall comply with the requirements of Section 4104 of the Public Contract Code. The contractor and all subcontractors shall be registered and maintain their registration pursuant to Section 1725.5 of the Labor Code for the entire duration of the contract.
5. Any and all trucking work performed pursuant to this Contract will be subject to the requirements of the "Project Stabilization/Community Benefits Agreement for the County of Alameda" as described in Article 5.4 of the Project Stabilization/Community Benefit Agreements document. In consideration of the award of a Contract to perform the Work, the Contractor agrees to be party to and bound by the "PROJECT STABILIZATION/COMMUNITY BENEFITS AGREEMENT for the COUNTY OF ALAMEDA" as it relates to any and all trucking. Contractor agrees to execute the "PROJECT STABILIZATION/COMMUNITY BENEFITS AGREEMENT for the COUNTY OF ALAMEDA" Letter of Assent and shall require its subcontractors performing any and all trucking services, of whatever tier, to become similarly bound for all work within the scope of this Contract by signing an identical Letter of Assent. The Contractor's attention is directed to Article 5.4 of the Project Stabilization/Community Benefits Agreement for the County of Alameda currently posted on the Public Works Agency website's Document Library: <http://acgov.org/pwa/documents/AC-Project-Stabilization-Community-Benefits-Agreement.pdf>

VI. DELIVERY REQUIREMENTS

Contractor shall be responsible for providing the District with all hazardous waste disposal records such as, but not limited to, Hazardous Waste Manifests within 5 days of disposal.

VII. BRAND NAMES AND APPROVED EQUIVALENTS

1. Any references to manufacturers, trade names, brand names and/or catalog numbers are intended to be descriptive, but not restrictive, unless otherwise stated, and are intended to indicate the quality level desired. Bidders may offer any equivalent product that meets or exceeds the specifications. Bids based on equivalent products must:
 - a. Clearly describe the alternate offered and indicate how it differs from the product specified; and
 - b. Include complete descriptive literature and/or specifications as proof that the proposed alternate will be equal to or better than the product named in this bid.
2. The County reserves the right to be the sole judge of what is equal and acceptable and may require Bidder to provide additional information and/or samples.
3. If Bidder does not specify otherwise, it is understood that the referenced brand will be supplied.

VIII. COUNTY PROVISIONS

1. Small and Emerging Locally Owned Business:

For purposes of this bid, applicable industries include, but are not limited to, the following NAICS Code(s): 238320.

A small business is defined by the [United States Small Business Administration](#) (SBA) as having no more than the number of employees or average annual gross

receipts over the last three years required per SBA standards based on the small business's appropriate NAICS code.

An emerging business is defined by the County as having either annual gross receipts of less than one-half that of a small business OR having less than one-half the number of employees AND that has been in business less than five years.

In order to participate herein, the small or emerging business must also satisfy the locality requirements and be certified by the County as a Small or Emerging, local business. To access the online (pdf) version of this application please go to: <http://www.acgov.org/auditor/sleb/forms/commonapp.pdf>.

A locally owned business, for purposes of satisfying the locality requirements of this provision, is a firm or dealer with fixed offices and having a street address within the County for at least six months prior to the issue date of this IRFQ; and which holds a valid business license issued by the County or a city within the County.

The County is vitally interested in promoting the growth of small and emerging local businesses by means of increasing the participation of these businesses in the County's purchase of goods and services. As a result of the County's commitment to advance the economic opportunities of these businesses the following provisions shall apply to this IRFQ:

- a. If Bidder is certified by the County as either a small and local or an emerging and local business, the County will provide a 5% bid preference. However, a bid preference cannot override a State law, which requires the granting of an award to the lowest responsible bidder. Bidders not meeting the small or emerging local business requirements set forth above do not qualify for a bid preference **and** must subcontract with one or more County certified small and/or emerging local businesses for at least 20% of Bidder's total bid amount in order to be considered for the contract award. SLEB subcontractors must be independently owned and operated from the prime contractor with no employees of either entity working for the other.
- b. Bidder, in its bid response, must submit written documentation evidencing a firm contractual commitment to meeting this minimum local participation requirement. Participation of a small and/or emerging local business must be maintained for the term of any contract resulting from this IRFQ. Evidence of participation shall be provided immediately upon request at any time during the term of such contract.

The County reserves the right to waive these small/emerging local business participation requirements in this IRFQ, if the additional estimated cost to the County, which may result from inclusion of these requirements, exceeds 5% of the total estimated contract amount or \$10,000, whichever is less.

The following entities are exempt from the Small and Emerging Local Business (SLEB) requirements as described above and are not required to subcontract with a SLEB. If you apply and are certified as a SLEB, you will receive a 5% SLEB bid preference:

- Non-profit community based organizations (CBOs) that are providing services on behalf of the County directly to County clients/residents;
- Non-profit churches or non-profit religious organizations (NPO);
- Public schools; and universities; and
- Government agencies.

Non-profits must provide proof of their tax exempt status. These are defined as organizations that are certified by the U.S. Internal Revenue Service as 501(c)3.

If additional information is needed regarding this requirement, please contact the Auditor-Controller's Office of Contract Compliance (OCC) located at 1221 Oak Street, Room 249, Oakland, CA 94612 at Tel: (510) 891-5500, Fax: (510) 272-6502 or via e-mail at ACSLEBcompliance@acgov.org.

2. Environmentally Friendly Packaging: Alameda County is an environmentally responsible employer and seeks all practical opportunities for waste reduction and recycling. The County, therefore, encourages its contractors to reduce waste volume and toxicity by using environmentally friendly packaging material whenever possible. Options may include backhauling product packaging to the supplier for reuse or recycling, shipping in bulk or reduced packaging, using soy bean-based inks for packaging printing, using recycled product packaging or using recyclable or reusable packaging material. The County encourages all bidders and contractors for goods and services to adhere to these principles where practicable.

IX. DEBARMENT/SUSPENSION POLICY (PURCHASES \$25,000 and Over)

In order to prohibit the procurement of any goods or services ultimately funded by

Federal awards from debarred, suspended or otherwise excluded parties, each bidder will be screened at the time of IRFQ response to ensure bidder, its principal and their named subcontractors are not debarred, suspended or otherwise excluded by the United States Government in compliance with the requirements of 7 Code of Federal Regulations (CFR) 3016.35, 28 CFR 66.35, 29 CFR 97.35, 34 CFR 80.35, 45 CFR 92.35 and Executive Order 12549.

- The County will verify bidder, its principal and their named subcontractors are not on the Federal debarred, suspended or otherwise excluded list of vendors located at www.epls.gov; and
- Bidders are to complete a Debarment and Suspension Certification form, Exhibit D attached, certifying bidder, its principal and their named and unnamed subcontractors are not debarred, suspended or otherwise excluded by the United States Government

X. COMPLIANCE INFORMATION AND RECORDS

As needed and upon request, for the purposes of determining compliance with the SLEB Program, the Contractor shall provide the County with access to all records and documents that relate to SLEB participation and/or certification. Proprietary information will be safeguarded. All subcontractor submittals must be through the prime contractor.

XI. SUBMITTAL OF BIDS

1. All bids must be completed and successfully uploaded through Alameda County **Strategic Sourcing Supplier Portal BY 2:00 p.m. on Sept. 6, 2016**. Technical difficulties in downloading/submitting documents through the Alameda County Strategic Sourcing Supplier Portal shall not extend the due date and time.
2. Successful uploading of a document does not equal acceptance of the document by Alameda County.
3. All Exhibits **must** also be submitted through the Strategic Sourcing Supplier Portal as a single file PDF. All information requested on the Exhibits must be supplied; and each Exhibit must have a signature. Any Exhibits (or items therein) not applicable to the bidder must still be submitted as part of a complete bid response, with such pages or items clearly marked "N/A."
4. Bid responses will **NOT** be accepted via e-mail or facsimile.

SMALL LOCAL EMERGING BUSINESS (SLEB)
PARTNERING INFORMATION SHEET

IRFQ No. MAO2016841 – Ettie St. and Lake Merritt Pump Stations
Electrical Lighting Replacement and Upgrades Services

In order to meet the Small Local Emerging Business (SLEB) requirements of this IRFQ, all bidders must complete this form as required below.

Bidders not meeting the definition of a SLEB (http://acgov.org/auditor/sleb/overview.htm) are required to subcontract with a SLEB for at least 20% of the total estimated bid amount in order to be considered for contract award. SLEB subcontractors must be independently owned and operated from the prime Contractor with no employees of either entity working for the other. This form must be submitted for each business that bidders will work with, as evidence of a firm contractual commitment to meeting the SLEB participation goal. (Copy this form as needed.)

Bidders are encouraged to form a partnership with a SLEB that can participate directly with this contract. One of the benefits of the partnership will be economic, but this partnership will also assist the SLEB to grow and build the capacity to eventually bid as a prime on their own.

Once a contract has been awarded, bidders will not be able to substitute named subcontractors without prior written approval from the Auditor-Controller, Office of Contract Compliance (OCC).

County departments and the OCC will use the web-based Elation Systems to monitor contract compliance with the SLEB program (Elation Systems: https://www.elationsys.com/elationsys/).

Form section for 'BIDDER IS A CERTIFIED SLEB' with fields for Business Name, Certification #, Expiration Date, and NAICS Codes.

Form section for 'BIDDER IS NOT A CERTIFIED SLEB AND WILL SUBCONTRACT' with fields for Business Name, Certification #, Expiration Date, Status, NAICS Codes, Principal Name, and Signature.

Upon award, prime Contractor and all SLEB subcontractors that receive contracts as a result of this bid process agree to register and use the secure web-based ELATION SYSTEMS. ELATION SYSTEMS will be used to submit SLEB subcontractor participation including, but not limited to, subcontractor contract amounts, payments made, and confirmation of payments received.
